Dear Supporter of the Luray-Hawksbill Greenway:

Many of you have expressed interest in donating benches along the new Phase #4 of the Greenway Trail. We are sorry that there is no longer space available, but would like to offer you the opportunity to participate in an alternate project to install benches at the Ruffner Plaza located on the Greenway Trail. The Plaza has become a popular gathering area for Greenway users with its beautiful seasonal planters and Pergola and swings for trail users to sit, relax, and enjoy the scenery. The very popular "Evenings On Main" concerts are held at the Plaza throughout the summer offering a variety of musical groups for area residents and visiting tourists to enjoy.

We have selected a very durable plastic bench constructed of recycled materials as shown in this picture. The benches will be six feet in length, mounted on a sturdy black frame with green railings, and will be maintenance free.

If you would like to participate in this exciting project, benches can be donated at a cost of \$400.00 and will be installed by the town. The top one, or two, boards of each bench will have a mounted nameplate showing the name of the donor. If you wish to share the cost, we will make provisions to place two names on the bench.

Please complete the bottom portion of the page and include your check for \$400.00 made payable to the Town of Luray. Legibly print your name as you wish to have it appear on the nameplate. Limit the number of letters on each line to thirty-one characters.

Thank you,
The Luray-Hawksbill Greenway Committee
D. Patrick O'Brien and Ken Beyer
